3. From Jeff D, RCM: this is his last ASC meeting as RCM (thanks for serving Jeff), Seth has been doing the reports and is ready to step into position. During his time as RCM, the Regional structure has changed to the FDC structure. At first, Jeff was against the change, now he sees its benefits. Our Area has adopted the FDC structure and is now an example for the other Areas in the Florida Region. If you have questions about how it is working, work on the solution; help make it work. It is critical that we work through the difficulties to make the structure work.
4. The CALL Group will be having a CAR (Conference Agenda Report) workshop. Details will follow. Any member of NA is welcome to attend to receive additional information regarding the CAR report and proposed upcoming changes for the good of NA.
5. The following is hereby resolved and made part of the minutes this 13th day of December 2009, The Board resolves by unanimous vote and per policy that beginning January 10th, 2010 the incoming Chairperson, Mr. Robert A.
