

SUBCOMMITTEE REPORT

Date: 13 March 2016 Subcommittee: FDC

Name: Sandy S

When & Where: 2:30-4pm OLQM Attendance: 14

OLD BUSINESS:

Results from EXPO 2016 were presented. There was an excellent turnout(142) attended. Leftover food was donated to the homeless and leftover supplies were donated to the Activities Committee. We would like to thank Paula for coordinating the event and thank all those who helped make it a success. We learned many things to carry to future events.

NEW BUSINESS:

PR has 4 upcoming events and is requesting members of NA who wish to volunteer for service work to go to our Area website (suncoastna.org) help wanted section to sign up

H&I would like to make changes to H&I Policy and are looking into the possibilities or ramifications of some ideas that have been brought to our attention,

Helpline has added another volunteer to the phones.

SITUATIONS/CHANGES:

It was pointed out that Helpline had not submitted the motion regarding 12 step calls and will have that ready for the next Area Service.

H&I has many openings for service work or we are in danger of not being able to take meetings to facilities we are currently servicing.

We are in need of a Secretary as well as co-coordinators and have many areas that need help. If you would like to be of service, or have a sponsee who would benefit by helping others please check our help wanted section. Many opportunities do not require substantial clean time.

The meeting lists and Newsletter were not picked up before close of business Friday and will be made available to all GSRs at OLQM on Monday evening or by appointment. Contact FDC Chair at suncoastna.org.
