**Open Forum/ Announcements:**

It has been suggested that home groups create a new service position. The position will be the groups FDC liaison. A volunteer from the home group will go to FDC every month and bring back a report to their group. This will help insure that the message and needs of the FDC are being communicated with the Area's home groups.

**Secretary Report**

**Old/ Current Business: I apologize for my absence this month, I was involved in a serious car accident. Thank you Paula for stepping up to the plate and covering during my absence, your service is appreciated.**

I am currently working on updating the Secretary's files and need your help as GSR's and other trusted servants to verify the information I have on file and also update all missing information. Our 8<sup>th</sup> Concept states: Our service structure depends on the integrity and effectiveness of our communications.
