It was proposed from policy that it could default to the Chair/Admin team to see if dates throughout the year that fall on the second Sunday of the month need/could be changed if need be do to a holiday. The previous motion was redacted.

**New Business:** It was brought up by the admin team and the body that we have meetings on the roll call where the GSR has not been present for two or more consecutive ASC meetings in a row. The admin team with the support of the body are looking into those meetings. More will be revealed.
