Open Forum/ Announcements:

Billy B. from Principles before personalities: Brought up concerns about violent and disruptive members. Tim G. (Area Sec.) referred to NA Lit. on the subject. Cindy shared experience strengths and hop, as did Gary and another addict.

Sandy from Recovery by the books: The church which hosts ASC, H&I, FDC as well as several meetings was vandalized by an unknown person or persons (not NA members) and her HG thinks that though it is not our fault and even though the damage has been repaired that we should offer a gesture of good faith to the church ie a clean-up or some other form of service. Tony shared experience strength and hope on being of service to the community, Kevin suggested individual group contributions, Tony clarified that every group has their own responsibility to the community, but other parts of the service structure meet here and it would be a nice

gesture to offer service in general. Rafael from Just for today shared experience strength and hope and Mike B. suggested Tony handle an ad hoc group to ask the church if they need our service.
