**MOTIONS**

**Motion 110-B UPDATE:** This motion was passed without knowing what it looked like. The motion does not state what the change is to the policy. Secretary will submit amendment to Policy for update.

**MOTION:** That the Area Minutes be made available within 7 days of Area meeting and be placed on the Suncoast Area Website rather than be emailed out.

**INTENT:**

- To reduce turnaround time and have it made available to all Suncoast Area members (not just the people who have GSR and ALT GSR positions).
- To reduce the amount of time to update email addresses when a GSR or ALT GSR changes
- To minimize errors (sometimes the email addresses are hard to read or are not updated on GSR Report

**Motion 110-C UPDATE:** This motion is out for additional updates, will be brought back in April.

**Donald asked the body to table this motion until more information could be provided. Clarification will be updated at next area meeting and Donald will re-write the motion.**

Date: Jan 10, 2016 Made by Arnold D, RCM 1

**MOTION:** Add to policy: Gas reimbursement to be paid in the amount of \$0.42 /mile when the area is sending a

representative out of the area to represent the Suncoast Area. Print out of miles (Google Map) must accompany the reimbursement request.

INTENT: This is the current amount we reimburse trusted servants when they travel to events out of the area to represent the Suncoast. The motion is to avoid confusion, there is nothing in policy.
