Opened with serenity prayer

## Readings

12 traditions

12 concepts

function of the ASC

Pete addressed the area about the lack of meeting last month

## Roll call

## Open Forum

Webservant Mike I. relapsed and was wondering if he could still hold the position and if the cleantime requirement could be waved; Cole asked to have policy reviewed in regards to this matter, Sarah stated she has the willingness to be co-web for security and accountability measures; this put us in a weird position b/c of zoom, ultimately it was agreed he could stay webchair and Sarah will be co web

Cayla from Women's Perspective was wondering about the email from World in regards to a mtg held about zoom mtgs on July 25<sup>th</sup>, Monica attended this mtg, no changes made to zoom, basically showed different ways zoom is being done, hybrid meeting setups and such
