

## Suncoast Area Meeting mins of Narcotics Anonymous

### Meeting Agenda

Sunday January 9, 2022

Area Chair: Jeff (P)

Area Co-Chair: Ron (P)

Secretary: Britt (P)

Co-Secretary: Melissa (P)

Meeting Started promptly at 3:30

- The Serenity Prayer
- Roll Call
- Co-Secretary read the minutes from the November Meeting.

Open Forum:

Jimmy brought up the possibility of us getting a bigger storage unit for archives. The cost is currently \$95 a month.

Charles from solution revolution brought concerns from the group of why it was not brought back the groups of the signers being changed and there being an LLC created. Cole spoke on the concerns and was able to inform the group that it was a decision that needed to be made quickly to continue with the changing of signers, in the spirit of rotation. There also needed to be a proper LLC nonprofit created for the Suncoast area.

Chris from east side recovery brought up insurance. Ricky has been doing research more will be revealed. Bonnie also spoke on the topic and informed us that you could piggyback if you meet the proper requirements.

Activities

Lori J

Old business: old business was the introduction of meetups which has been very successful. There was also a unity day discussed at last area that was being put on by the bay area. Bay Area invited Suncoast area to it. We were to participate by bringing an activity to share in between their workshops and speakers. It was to be held in April however Alaura M dropped her Activities chair service position suddenly which put me into the chair spot. She was the one in contact with the activities people in the Bay Area regarding this unity day in april. I have no information on it including the contact information for the activities chair in that area. We have emailed activities in the Bay Area to get more information because I don't want to ignore the invite as I believe that would make our area activities look bad. I will continue to look into this event and put something together with our activities committee. We also have gained quite a few activity committee members and have been doing meetings on Zoom to discuss and organize future activities and meetups as planned.

New business: on January 24th Alaura M sent me a text message stating that she was stepping down as activities chair for personal reasons. This puts me into the activities chair position. I contacted policy and had Jessica send me some information to go over and discuss with our committee members. This opens up an activities co-chair position and we do have one of our committee members Amy B with the willingness to step up into that role. This all happened so suddenly since the last area. Amy is unable to be here today to be nominated. I'm sure we can open up nominations and then elect and vote next month. I also had a commitment to go on an NA spiritual Retreat camp out in Broward County before all of this happened so I am currently in Broward County. One of the na members that we came with rolled her ankle in a scavenger hunt so we're working on getting back to Sarasota if unable to read this report myself it will be read by Cayla P. We have activities meetups scheduled for every Saturday in march. The flyer has been made and emailed to [policy@suncoastna.org](mailto:policy@suncoastna.org) for approval. Also starting the planning for the chili cook-off which we are hoping to do in April. Myself and other committee members are meeting on February 20th to go to the activity storage to take an inventory and clean it up as the last time I was there it was a hot mess. I have the key and the storage code. I was also sent contact information for different facilities that our area uses frequently. Activities would like to request Activities would like to request a zoom account. It is \$149.90 per year. Is there a budget that this can come out of at the area level? This could be a general account for our entire area and all the subcommittees to use?

Situations Changes: Alaura M step down Lori J into chair position. Co-chair open.
